Content: Fundamental concepts and standards for database management systems; database design; database implementation; storage and performance considerations; transaction processing concepts; application of database management systems.

Course Student Learning Outcomes: Upon completion of this course, the student will be able to:

- Evaluate the role of databases in computing systems
- Design and build applications using database management systems
- Compare and evaluate diverse database models
- Implement a consistent database
- Explain transaction processing concepts
- Explain relational algebra as a basis for database query languages

Instructional Method

- Slides, assignments, and tool info will be posted on the class google drive that will be sent by the instructor.
- For more information about this course and for course materials, go to <http://blackboard.kean.edu>

Textbook & Materials

Database Systems: A Practical Approach to Design, Implementation, and Management. 6th edition

Author: Thomas Connelly and Carolyn Begg,

ISBN-13: 978-0-13-2943260-0

Publisher: Pearson/Prentice Hall

Require hardware and Software

- This is a hands-on course. Students are required to bring personal laptop every class.**
- Database related free software: MySQL Workbench, XAMPP, MySQL
- Other free software: Putty.exe (Win), terminal (Mac), FileZilla, Sublime
- Assignments should be implemented on the instructor's application and MySQL database servers that are announced on the first day of the class.**

Assessment and course grading

The course includes Exams, Labs and Homework, a **total of 1000 points**.

- 3 exams: midterm 1, midterm 2, final (215, 215, 220 pts)
- 1 Homework (125 pts), **no late submission**
- 2 lab exercises (50, 75 pts), **no late submission**
- 1 Team study (100 pts), **no late submission**

The Digital Gradebook (in Canvas) will be used to record student grades.

Grading Policy

A: >= 940	A-: 939 -890	
B+: 889 - 840	B: 839 - 800	B-: 799 – 760
C+: 759 – 720	C: 719 - 680	
D: 679 – 640		
F: below 640		

C or better is needed for CS and IT majors.

Technical Requirements:

1. In order for your Blackboard course to function correctly, you will need to disable pop-ups on your Internet browser.
2. Make sure you have Microsoft Office installed on your computer. You may be eligible for a free MS Office Software Student Edition. You are required to create an account and provide a valid Kean University ID to obtain access to the software applications. To start the application process, go to the [Office 365 Education website](#).

Academic Early Alert information will be provided to students by the instructor via KeanWise. Please see the 2020-2021 Undergraduate or Graduate Catalog for more information.

Class Policies:

- **Posting of course materials:** **Public posting of course materials from this class is prohibited.** Materials presented in the class are for the personal use of registered students during the semester only. Homework, programs, and other classwork should not be shared, distributed or publicized in any way, for the protection of other students and in respect of the intellectual property rights of the faculty and copyright owners. Kean University's Academic Integrity Policy can be found here: <https://www.kean.edu/media/academic-integrity-policy>.
- It is students' responsibilities to verify all the scores posted on **the class website** that is announced on the first day of the class.
- **No late work** will be accepted without permission in advance from the instructor. Late work is penalized.
- **No make-up exams** are provided without documentation of medical or family emergency. Please arrange your schedule for the next 16 weeks to arrive in class on time and prepared.
- **Attendance** and participation are required.
- **All homework assignments, projects, and exams are expected to be completed by the students themselves.** **No credit will be given for an assignment or homework that is copied – in part or in total – from another person. The use of AI tools such as ChatGPT, GitHub Copilot, and similar resources is not permitted for these tasks.**
- **Exam policy:** During class examinations, if a student leaves the classroom for any reason during the exam time, **the exam must be turned in before the student departs, concluding the exam for that student.** The student cannot resume the exam on return later. You may not make or take a phone call, text or access the internet during class or a test.
- **Classes may not be audio or digitally captured**, unless permission has been granted by the instructor for that specific class.

Privacy Statement

Assuring privacy among faculty and students engaged in online instructional activities helps promote open and robust conversations and mitigates concerns that comments made within the context of the class will be shared beyond the classroom. As such, recordings of instructional activities occurring in online classes may be used solely for internal class purposes by the faculty member and students registered for the course, and only during the period in which the course is offered.

Important University Policies and Information

- All students and faculty should familiarize themselves with the **Cougar Restart Guide** which includes important virtual resources for students by Kean University via the following link:
<https://www.kean.edu/coronavirus-information/resources-current-prospective-students>
- Students are responsible to review and understand the *University Academic Integrity Policy* available via the following link: <https://www.kean.edu/academic-integrity>
- *Instructors must indicate on the syllabus and/or individual assignment if the use of Kean University academic support services ([Tutoring and/or Writing Center](#)) is permitted for take home assignments/exams.*
- Students should review the *Student Code of Conduct*, as it discusses expectations of appropriate conduct in the classroom:
<https://www.kean.edu/offices/community-standards-and-student-conduct/student-code-conduct>
- Students are strongly encouraged to register for the University's emergency notification system (<http://www.kean.edu/campusalert>) in order to be informed of campus emergencies, weather notices, and other announcements. Kean Ocean students would sign up via the following link:
<https://ocean.sendwordnow.com/LicensePage.aspx>
- All students must have a valid Kean email account. For those who do not already have one, forms are available on-line at <https://www.kean.edu/offices/computer-and-information-services/ocis-forms>
